

ENTERTAINMENT, THEATRICALS AND CONTESTS

"You're only given a spark of madness. You mustn't lose it."

-Robin Williams

But what is madness if not the collision of that which we define as order and chaos. We see how everybody is special, everybody is a hero, a lover, a fool, a villain. Everybody looks beyond the box in their own unique way. And here in ETC we discover a demented and glacial reality that ushers in the dawn of something magnificent... Something that will be talked of for ages. A platform for your inner madness and creativity to own the stage.

MINUTE TO WING IT
